Calling All NBCTs!

The NM NBCT Network would like to challenge each of you to do the following, using Network materials (linked):

- Update your profile on [NBPTS](#) and on [this form](#)
- Add NBCT after your name on your signature line in emails and other correspondence
- Advertise “I’m an NBCT. [Ask Me About Accomplished Teaching](#)” outside your classroom door.
- Make a [presentation](#) to your school board and let us know. Email [Evelyn](#) so we can report this data to NBPTS.
- Tag a teacher (tag cards on last page) to pursue national board certification or learn about Accomplished Teaching

Anyone can tag a teacher to pursue national board certification. Do you know a teacher who impacted your life? Do you know an accomplished teacher who is ready for more? We cards available to help high school students, teachers, NBCTs invite someone they know to join with us in ensuring that every child in NM has an Accomplished Teacher!

Understanding the NBPTS Engagement Trajectory: from applicant to candidate to NBCT/teacher leaders and stakeholders.

National Board Academy

More than 150 leaders from around the nation attended this year's National Board Academy in Orlando, Florida, July 15-18.

Participants collaborated, shared ideas and design strategies to bring National Board standards and practices to scale. The Academy focused on providing Network participants with strategies to guide, connect and mobilize leaders throughout the national board process and beyond.

NBPTS call to action to all 65 networks includes:

- Grow your network
- Increase the number of candidates
- Increase the number of candidates who certify (candidate support)
- Spread Accomplished Teaching—How Do We Get an Accomplished Teacher in **EVERY** Classroom?

Network Needs You!

We are currently in need of a team of NBCTs to plan and organize the Pinning Ceremony for new and renewed NBCTs in February. We also need a Social Media Coordinator. If you are interested, please contact Evelyn Sanchez at evelyn.sanchez@nmbctnetwork.com.

The NM NBCT Network provides other opportunities for teacher leadership. If you are interested in working with adults, we can train you to facilitate the following programs in your regions:

*Foundations of Accomplished Teaching (Getting Started with the National Boards Process-4 hour class)

*PLF Training (working with national board candidates in components 1-4, one on one or in small/large groups—2-day training). This is necessary to become an affiliated PLF with the state network.

*Opportunities to present at State Conference or Candidate Retreats (some for trained PLFs only)

Every Student Deserves an Accomplished Teacher

National Board Certification:

- Improves Student Learning
- Recognizes Teacher Leaders
- Develops Effective Teachers
- Retains Teachers

Our mission is to promote Accomplished Teaching throughout New Mexico. We do this by advocating for leadership opportunities for NBCTs, promoting and educating teachers about the National Board's Body of Knowledge, supporting candidates through the National Board Professional Teaching certification process and celebrating when achievement is attained. By offering opportunities to all constituent groups, we aim to support and recognize all New Mexico NBCTs in all school districts in the state and at the state legislature.

Accomplished Teaching
to Every Classroom in
